COASTAL HOMES

This home creates a large outdoor space with its unique "L" shaped design. The spacious open plan living, dining, kitchen and scullery, all look out onto the large outdoor living area giving the home a family hub feel.

A smart office positioned close to the entry makes working at home a real option.

This effortless family home has everything your family could want and then some!

Floor area: 270m²
25.6m x 21.6m
